

As a subscriber to XM Radio I'm writing to urge you to reject any attempt by the National Association of Broadcasters to limit, restrict or control in any way what XM Radio broadcasts to its subscribers. In particular I urge you to reject NAB's petition 04-160. I am paying for services that NAB's members are unwilling or unable to provide, or which they provide in inferior quality. I don't believe NAB should dictate what I am permitted to hear. Thank you.
